

Newsletter firmy Grafityp, styczeń 2025

What are your good intentions for 2025? Whether you want to invest in **sustainable PVC-free films**, **expand your business network** or **improve your wrapping skills**, Grafityp will help you make those resolutions a reality.

Wondering how? Read on quickly and discover everything Grafityp has in store for a successful 2025!

Good intention: choose sustainable materials

Want to work with more sustainable materials in 2025? Our PVC-free vinyl solutions make corporate responsibility easier than ever. We recently released a new sustainable film: [the GEF122PE](#), a white glossy print film, ideal for fleet work.

Good intention: expand my professional network

Two leading trade shows are scheduled in February. The perfect time to network.

1. C!Print Lyon

From **4 to 6 February**, we were in Lyon for [C!Print](#). The stand was located near the car wrap competitions (C!Wrap). Among other things, you could discover the latest Omega - Skinz car wrap films and our PVC-free films there.

2. Wetec Stuttgart

From **13 to 15 February**, we will be in Stuttgart at [Wetec](#). Visit our stand at UPM Raflatac, enjoy a drink in our bar and discover our range of innovative products.
